

# INDIRECT FIRED Diesel Heaters

## IDEAL FOR SPRAY BOOTHS

SPITFIRE indirect fired range of Diesel heaters are designed to heat areas where NO FLAME OR FUMES ARE ALLOWED. This makes them ideal for heating spray painting booths, furniture manufacturers, boat builders, honey and wine production as well as heating large marquees.

### IC25

- 74,000 BTU
- 1.96 l/h Diesel
- 1000m<sup>3</sup>/h airflow
- Tank Capacity 41lts
- 240 Volts
- Weight 44kg

**\$2750.00**  
inc

### IP45

- 200,000 BTU
- 4.32 l/h Diesel
- 1800m<sup>3</sup>/h airflow
- Tank Capacity 41lts
- 240 Volts
- Weight 64kg

**\$3350.00**  
inc

### IP60

- 220,000 BTU
- 5.82 l/h Diesel
- 2670m<sup>3</sup>/h airflow
- Tank Capacity 145lts
- 240 Volts
- Weight 135kg

**\$4300.00**  
inc
