

think water Efficiency, think **TEAM Irrigation**

December 2008

## *Hlo Hlo Hlo* it's time for Christmas Wishes

*Hlo Hlo Hlo* it's time to wish you all a Festive & Safe New Year.

*Hlo Hlo Hlo* it's time for our most important message - Thank you to our valued customers and suppliers for their support over the past year.

This year has been particularly successful when TEAM Irrigation was awarded the inaugural Silver Rhino Award for Excellence in Rural Achievement from the Dubbo Chamber of Commerce & Industry. In uncertain times of drought and climatic change, coinciding with the current world economic instability, our rural community is rarely recognised for their achievements and often bare the

brunt from ill informed media. As Craig Chandler stated in his acceptance speech – “ Never criticise a farmer on a full stomach”. A powerful message he was trying to relay to the audience.

TEAM Irrigation is extremely proud of their Silver Rhino Award and wish to thank their dedicated staff for their support in achieving this award. *Hlo Hlo Hlo*

## Spitwater Australia

Since the closing of Hilton Warman in Dubbo in 2008, TEAM Irrigation is now the dealer for Spitwater Australia, suppliers of high pressure cleaners, wet & dry vacuum cleaners and portable heaters & dryers. Staff recently undertook Spitwater training on sales and service work. Replacement parts can now be ordered through Team Irrigation or for further details contact Tim on 6885 5220.

## What's Planned for 2009

Team Irrigation will continue to lead the way in successfully transferring irrigation advances and technology to the paddock. We aim to work with clients, finding solutions to their irrigation needs, training them on irrigation advances, developing alternative solutions to make our farmers prepared for continued drought and the legislative changes which constantly face our market.

Team Irrigation in 2009 will make new irrigation information available through our website [www.teamirrigation.com.au](http://www.teamirrigation.com.au) and monthly newsletters. If you would like to receive our newsletter by email, please forward an email to [sales@teamirrigation.com.au](mailto:sales@teamirrigation.com.au) and we will update your information.

**TEAM Irrigation will be closed from 3pm on Wednesday 24<sup>th</sup> December and we will reopen on Friday 2<sup>nd</sup> January 2009.**
